Spin Physics, Symmetries and Applications

- **Symmetries in Subatomic Physics**
(T- and CP- Violations)
- **Electric Dipole Moment (EDM) Searches**
(JEDI project)
- **Neutrino Physics**
(e.g. JUNO project)
- **Standard Model and Beyond**
(Theory, HEP Experiments)
- **Engineering Sciences**
(Simulation, Instrumentation, Electronics)
- **Applications**
(e.g. Medical Imaging)

Plenary sessions, topical lectures
and JEDI Collaboration meeting

August 28 - September 2, 2016. TBILISI, GEORGIA
