GGSWBS 2018 (Kakheti tour)

22 August: Tbilisi-Sighnaghi-Tsinandali-Telavi-Tbilisi

Today we travel in Kakheti region famous for being wine making area, as well as associated with welcoming hospitality. Here we can see both snowy Caucasus mountains and fertile valleys. Firstly we visit 18th century beautiful, small town of Sighnaghi which will impress us with its old fence and small houses with tile roofs and decorated balconies. From here we can see the picturesque views of Alazani valley and Great Caucasus mountains. We will visit a local wine cellar to taste BIO home-made wine and get acquainted to traditional methods of wine-making. Then drive to Tsinandali to visit a local Duke Alexander Chavchavadze's estate and the garden formed in the 19th century. The park and the house used to be the gathering place of all poets and artists of the 19th century. After that we will move to another Chateau Mormieri where apart from delicious Georgian Supra a range of activities are waiting for us: We can participate in Churchkela- making master- class, bread- baking process and after all that a gorgeous dinner is waiting for us. In the evening we will return to Tbilisi.
