

Annex 2
To Memorandum of Understanding
Between Forschungszentrum Jülich (JÜLICH)
And
Shota Rustaveli National Science Foundation of Georgia (Foundation)
Signed on 16th of June 2015
On Scientific Cooperation

Annex 2 amends the MoU between Forschungszentrum Jülich (hereafter: JÜLICH) and Shota Rustaveli National Science Foundation of Georgia (hereafter: Foundation), on Scientific Cooperation signed on 16th of June 2015 in JÜLICH, Germany (hereafter: MoU) and Annex 1 between Forschungszentrum Jülich (hereafter: JÜLICH) and Shota Rustaveli National Science Foundation of Georgia (hereafter: Foundation) on Funding Summer Schools (Georgian-German School and Workshop in Basic Science (GGSWBS)) and Autumn Lectures (QUALI-Start-Up Science Lectures), signed on 5th of June 2017 in Tbilisi, Georgia (hereafter: Annex 1);

Referring to the Article II (Amendments, Terms, Extension) paragraph (1) of MoU, JÜLICH and Foundation (hereafter parties) agree to amend MoU Annex 1 as follows:

Article 1.

Parties jointly agree on funding either Summer Schools (Georgian-German School and Workshop in Basic Science (GGSWBS)) or Autumn Lectures (QUALI-Start-Up Science Lectures) respectively in every year: The Autumn Lectures shall take place in the corresponding successive "odd" years (in 2017 and 2019), the Summer Schools will be held in the corresponding successive "even" years (in 2018 and 2020).

Foundation will fund both events: Summer Schools and Autumn Lectures. Budget per activity is up to 15.000 EURO (NET, excluding taxes foreseen by the Georgian legislation) and will include following:

- a. Air fare and lodging for a maximum of 20 Georgian students and Universities Consortium coordinator, participating in the Autumn Lectures at JÜLICH;
- b. Air fare, local transportation, lodging and meals for a JÜLICH Scientific staff members, participating in the Summer School as lecturers.

JÜLICH will fund both events: Summer School and Autumn Lectures. Budget per event is 15.000 EURO, which include following:

- a. Air fare and lodging for JÜLICH staff members for the Autumn Lectures' preparatory work (students selection assessment) performed in Georgia;
- b. Local expenses for Autumn Lectures at JÜLICH for a maximum of 20 students including costs for local transportation, meals, lab consumables, etc.;
- c. Air fare for JÜLICH scientific staff members participating in the Summer Schools in Georgia.

Article 2

Present Annex is an essential part of the MoU.
