

Program-Outline for the Visit of Minister Prof. Chkhenkeli in Dresden

03.05.2022

Arrival of Guests

Hotel: Townhouse Dresden / Aparthotel Am Schloss

04.05.2022

Forenoon

City tour or meeting with Minister of State Sebastian Gemkow

Recommendations provided by HZDR if needed

Afternoon – Visit at OncoRay

14:45 *Pick-up at hotel “Townhouse Dresden” by HZDR shuttle service*

15:00 Arrival at National Center for Radiation Research in Oncology (OncoRay)

15:05 Welcome Session

Prof. Sebastian M. Schmidt

Prof. Michael Albrecht

Prof. Esther Troost

Minister Prof. Mikheil Chkhenkeli

15:25 Introduction to HZDR – short presentation

15:35 Formal signature of the MoU

15:45 Introduction to OncoRay – short presentation

16:05 Visit of the proton facility and experimental bunker

16:50 Joint entry in HZDR guestbook

17:00 *Departure to hotel by HZDR shuttle service*

Restaurant recommendations provided by HZDR if needed

05.05.2022 - Mini-Workshop at HZDR

- 09:10** *Pick-up at hotel by HZDR shuttle service*
- 09:50** *Arrival at HZDR*
- 10:00** Welcome Session
Prof. Schmidt and Prof. Chkhenkeli
Introduction of participants, Agenda
- 10:20** “Georgian-German Science Bridge” - Short Presentation
Dr. Kacharava and Prof. Ströher
- 10:40** “Laser Ion Acceleration”
Dr. Zeil
- 11:00** *Coffee break*
- 11:20** “SMART|EDM_lab: current status and perspectives”
Dr. Mchedlishvili
- 11:40** “Ion Beam Center as a user facility at HZDR”
Dr. Facsko
- 12:00** *Transfer to restaurant in Stolpen*
- 12:15** *Lunch*
- 13:45** *Transfer to HZDR*
- 14:00** “Research Technology at HZDR”
Prof. Kaefer
- 14:20** “Radiopharmaceutical Cancer Research at HZDR”
Dr. Kreller
- 14:40** “Georgian-German cooperation in the field of astrophysical fluid dynamics”
Dr. Mamatsashvili
- 15:00** Discussion Georgian-German Science Bridge
- 15:30** *Coffee break*
- 15:45** Closing remarks
Prof. Chkhenkeli
- 16:00** HZDR Tour – Visit Research Infrastructure: Ion Beam Center
- 17:00** *Transfer to hotel by HZDR shuttle service*

06./07.05.2022

Departure, individual arrangements

List of Participants for the Visit of Minister Prof. Chkhenkeli in Dresden

Guests

- Prof. Mikheil Chkhenkeli *Minister of Education and Science of Georgia*
- Nikoloz Chkhetiani *Chairman of the board of charity foundation CARTU*
- Vakhtang Tsagareli *Director of Project Management & Operations at International Charity Foundation CARTU*
- Ana Sarishvili *Representative of MES protocol office*
- Dr. David Mchedlishvili *Head of SMART|EDM_Lab at Tbilisi State University*
- Prof. Hans Stroehler *Director of the Nuclear Physics Institute Forschungszentrum Jülich*
- Dr. Irakli Keshelashvili *Researcher GSI Detector Laboratory*
- Dr. Andro Kacharava *Scientist and ANKE Spokesperson, Nuclear Physics Institute Forschungszentrum Jülich*

HZDR / Technical University Dresden / University Hospital Carl Gustav Carus Dresden

May 04, 2022 – Visit at OncoRay

- Prof. Sebastian M. Schmidt *Scientific Director of HZDR*
- Prof. Michael Albrecht *Medicinal Director University Hospital Carl Gustav Carus*
- Frank Ohi *Administrative Director University Hospital Carl Gustav Carus*
- Prof. Esther Troost *Dean of the Faculty of Medicine Carl Gustav Carus, Chair of Department of Radiotherapy and Radiation Oncology of University Hospital Carl Gustav Carus*
- Prof. Mechthild Krause *Institute Director HZDR-Institute of Radiooncology – OncoRay*
- Dipl.-Biol. Stefan Pieck *Administrative Director and Scientific Coordinator of OncoRay and the Department of Radiotherapy and Radiation Oncology of University Hospital Carl Gustav Carus*
- Prof. Christian Richter *Section head Medical Radiation Physics of OncoRay*
- Dr. Friederike Heinze *Scientific coordinator OncoRay*
- Dr. Sandra Hamann *HZDR-Department Research Programs & International Projects*
- Simon Schmitt *Head of Public Relations HZDR*
- Fotographer

Mai 05, 2022 – Mini-Workshop at HZDR

- Prof. Sebastian M. Schmidt *Scientific Director of HZDR (Welcome Session)*
- Dr. Sandra Hamann *HZDR-Department Research Programs & International Projects*
- Dr. Lydia Behring *Executive Assistant to the Scientific Director*
- Prof. Peter Kaefer *Head of HZDR-Department of Research Technology*
- Dr. Martin Kreller *Scientist Production of Radiopharmaceuticals*
- Dr. George Mamatsashvili *Scientist Magnetohydrodynamics*
- Dr. Stefan Facsko *Head of HZDR-User Facility Ion Beam Center*
- Dr. Karl Zeil *Junior Group Leader Laser Ion Acceleration*
- Dr. Barbara Schramm *Head of HZDR-Department Research Programs & International Projects*
- Dr. Carola Franzen *HZDR-Department Research Programs & International Projects*
