**Subject: Outcome of the Call for proposals ERC-2009-AdG**

Dear Applicant,

On behalf of the ERC, I thank you very much for your application to the second ERC Advanced Grant evaluation process.

The European Research Council Executive Agency received 1584 applications for this call, of an overall very high quality.

The evaluation panel very much appreciated the opportunity to examine the proposal that you submitted and carefully discussed the individual reviewers' evaluations before reaching their decision.

I am very pleased to inform you that the panel has recommended your proposal for funding. I offer you my warmest congratulations and wish you every success for your research project.

Yours sincerely,

Professor Fotis C. Kafatos  
President, European Research Council
